

HUMAN RESOURCES

RISD's annual Benefits Open Enrollment begins on Monday, October 28 and continues through Friday, November 15, 2024. RISD continues to be committed to offering our employees high-quality, competitive insurance coverage. We continually work with our consultants and vendors to review, research, and understand changes in legislation, market conditions, trends, and product options.

Changes you make during Open Enrollment become effective **January 1, 2025**. Detailed information on the 2025 benefit offerings will be available on RISD's Benefits website on October 28, 2024.

Remember, this is your once-a-year chance to make changes to your benefits, such as updating your coverage or adding dependents, unless you experience a Qualifying Life Event (QLE) during the year. If you choose not to make changes, the elections you have for 2024 will roll over into 2025.

Below, read more about important dates, benefits enhancements, and actions you can take.

When is Open Enrollment?	<ul style="list-style-type: none">● Monday, October 28 to Friday, November 15, 2024● Benefits selected during Open Enrollment become effective January 1, 2025

- Ask questions via the benefits@risd.edu email account.

Introducing PrudentRx

In 2025, RISD will start a new partnership with PrudentRx to help employees and covered dependents benefit from the copay assistance programs available from drug manufacturers for certain specialty medications for highly complex and chronic health conditions. PrudentRx is a service offered through our existing prescription drug program with CVS.

You will be contacted directly and confidentially by the PrudentRx team in November if you and/or your dependent are taking a specialty medication that is eligible for copay assistance. **When enrolled, the cost for your specialty medication will be low or nothing.**

Important: For those taking a specialty drug, please opt into this program when contacted by PrudentRx. If you opt out of participating in the PrudentRx copay assistance program or do not enroll, you will pay 30% coinsurance for your eligible specialty medications.

2025 Pre-Tax Savings Contribution Limits

403(b)

- The IRS has not yet published the 2025 limits; the 2024 limit is \$23,000 with a \$7,500 catch-up contribution for employees age 50 and over.
- 403(b) changes can be made at any point in the year and therefore are not included in your Open Enrollment elections. For instructions on how to change your 403(b) elections, [click here](#).
